PROFESSIONAL EXPERIENCE

12/2023 - Present

Assistant Manager

Aurobindo Pharma Limited · Hyderabad

- Led the preparation and finalization of annual and interim standalone and consolidated financial statements, including consolidated cash flow statements and notes to accounts, for a group of 90 entities across multiple geographies and currencies, ensuring compliance with Ind AS and IFRS, accuracy of disclosures, and timely delivery of high-quality financial reporting.
- Managed intercompany reconciliations and consolidation adjustments, including elimination entries, GAAP adjustments, stock reserve calculations, and unrealized profit eliminations, ensuring accuracy, consistency, and compliance in consolidated financial reporting.
- Managed the review of standalone financial statements across domestic and international entities, including FCTR assessments and lease accounting under Ind AS 116, involving evaluation of lease agreements, recognition of right-of-use (ROU) assets and lease liabilities, and related financial disclosures, ensuring compliance with Ind AS, GAAP, and Group Accounting Policies.
- Managed accounting and reporting for investments in joint ventures, associates, and business combinations under Ind AS 28 and Ind AS 103, including equity method accounting, non-controlling interest calculations, goodwill/capital reserve recognition, changes in ownership interests, and related consolidation adjustments to ensure accurate group financial reporting.
- Managed SEBI-compliant Related Party Transaction (RPT) reporting and delivered Capex, Sales EBITDA, and Right-of-Use (ROU) analytics and reports, supporting regulatory compliance, financial performance monitoring, and audit requirements.
- Managed quarterly consolidated MIS reporting at the group level, delivering variance analysis, management commentary, and key financial insights to senior leadership through effective coordination with multiple business units.
- Managed end-to-end statutory and special audits, partnering with Big 4 auditors and cross-functional teams to deliver timely audit closures, resolve complex accounting and reporting queries, and ensure compliance with regulatory and financial reporting standards.
- Played a key role in the successful implementation of Oracle FCCS (Hyperion), automating the consolidation and financial reporting process, reducing manual intervention, and improving report efficiency and accuracy.
- Prepared consolidated and sub-consolidated financial statements, including the impact of business combinations under common control, to support accurate financial reporting and geography-wise performance analysis.
